ADDITIONAL NOTES

The next pool date for the 7-12 year old campers will be this Tuesday, July 14th. If you have not completed a pool waiver we will need you to do so. The pool is optional and costs \$2 per trip.

We began our week by paying tribute to the women and men of our armed forces on "Support Our Troops Day". Honesty was the virtue for this week. All of the campers discussed through their bible story the importance of being truthful. On Monday campers came dressed in camo attire and competed in a "boot camp" relay race. We kept things rolling on Tuesday with another pool day for the 7-12 year old campers. On Wednesday we had our first prayer service where we prayed and sang along to live music performed by one of our counselors. On Thursday, the 7-12 year old campers went on a field trip to NASA Space Center Houston where we learned about the plans for the Mars expeditions. We concluded the month of June at Camp SJV with one of our always popular Camper Fun Days. Campers of all ages enjoyed various water slides and mechanical rides along with freshly shaved snow cones.
