### Week 5

**July 11 - 15**

**Theme of the Week:**  
*Space Invaders*

The Chick Fil' A cow made a surprise appearance at lunch on Monday and urged the campers to "Eat Mor Chiken". On Tuesday, the 7-12 year old campers cooled off at the Westchester neighborhood pool. Along with their regular camp day activities on Wednesday, the campers also got the chance to pray the Rosary as a group in the Dining Room. The older campers took a trip to NASA Space Center on Thursday. While they were there they got the chance to check out the brand new "Independence Plaza" exhibit. While they were away, the 4-6 year old campers had another "Wacky Water Day". They escaped the summer heat and cooled off by splashing in pools, running through sprinklers, and enjoying frozen popsicles. On Friday, it was the 7-12 year old camper's turn to have their faces professionally painted when "Face Painting by Stormy" paid the camp a visit. To finish off the week, the camp had its weekly skit performances from the 7-12 year old campers along with the trophy presentation ceremony. The 9-12 year old boys and the 4-5 year old boys walked away with gold this week as they each won their age bracket's weekly award.
