2015 St. John Vianney Summer Camp Newsletter

Week 4
July 6-10

Theme of the Week
"Around the World"

We kicked off our second half of camp with Twin Day. Siblings and friends came dressed in matching outfits. The older campers went on the most popular field trip of the summer, Sky High. While the 7-12 year old campers were out bouncing around, the 4-6 year old campers had some fun of their own with a Wacky Fun Day. On Wednesday we had our first ever Culture Day at Camp SJV where campers and counselors came together and shared various things about their culture with everyone. Thursday, the 7-12 year olds went to the Children's Museum of Houston where they built rockets and took on the role of a hardworking adult at Kidtropolis. While they were gone, our 4-6 year old campers enjoyed a dance themed Wacky Fun Day. We ended this busy week with a visit from the snake gal. She introduced us to several different friendly reptiles including Easter, an Albino Nelson's Milksnake, and an Albino Burmese Python named Ruben. She also taught us some things about snake safety and the four different kinds of venomous snakes in Texas and how to identify them.
