## Living Faith

## Changing Lives

## Making a Difference

Dear Friends in Christ:

Life is busy and can be very complicated. For too many of us, we can get so busy about so many things that we can easily forget or overlook the essentials. The Great Commission that Jesus gives to the Church is our primary mission statement. We are to “Go, make disciples of all nations!” Frequently, we can forget that this is the essential mission of who we are and what we are supposed to be about. To be a Catholic is to be in the disciple making business! All of us are called to preach and proclaim the saving message of Jesus Christ to everyone! The fancy word for this proclaiming the good news of Jesus is *Evangelization*. *Euangelion* is the Greek term for Good News (message, tidings) – gospel. You can also see the root for the word *angel*, a messenger.

The steps of Evangelization are classically divided into three: Kerygma, Didache and Liturgy. The Kerygma is the initial essential proclamation of the truth of Jesus. A simple and complete expression of this may be seen in the Creed that we profess at Mass or in the Apostles Creed that we pray with our rosary. There is one God. Jesus Christ is His only Son. Jesus was born of a woman and he suffered, died and rose from the dead. Jesus saves us from hell by the forgiveness of our sins and with the Father sent the Holy Spirit to the Church...you get the idea. Simplified, we say, “Jesus is Lord!” or, “The Kingdom of God is at hand!” The response to the Kerygma is belief.

The Kerygma is followed by the Didache. This is a further teaching on the truths proclaimed in the Kerygma. Didache means teaching. There is a famous document from the first century that is entitled, *The Teaching of the Twelve Apostles* that also goes by the title, *Didache*. For all of us in our journey of discipleship and in our mission to make disciples, we have to go beyond the essential proclamation and come to a deeper understanding of who Jesus is and what he wants for us and from us. Every disciple is a learner, a student. To be a Christian and to bring others to Christ means that we must become the students of Jesus. We must be willing to learn from Jesus and allow him to teach us how to live. In sharing the Good News (Gospel) of Jesus, we need to help others become students (disciples) of Jesus. This is where we learn to live according to Jesus’ plan for our lives and apply what we learn. As we learn and follow Jesus, there is conversion. Conversion is not merely a moment but a lifetime.

The last step in disciple making is the Liturgy. For many of us this is the first (and only) step rather than the last step and that creates problems of its own. The liturgy in Christian tradition means “the participation of the people of God in the work of God. Through the liturgy Christ, our redeemer and high priest, continues the work of our redemption in, with, and through his Church.” (CCC 1069). Liturgy is not something we do and it is not really about us per se. It is Christ loving the Father in the Holy Spirit. For us to participate in Christ’s act of love, his prayer, his sacrifice to the Father (Liturgy), we must first hear and accept the Good News, believe and be converted (Kerygma and Didache). The liturgy is the summit of the discipleship journey and it is also a renewal of grace to continue on the journey and the mission of making new disciples. Too often people confuse liturgy with entertainment. They want to “get something” from the liturgy, when in fact the liturgy is primarily about giving to God with Jesus in the Holy Spirit. The simple truth is that if we don’t come ready to give ourselves and to join our lives in sacrifice with Jesus’ sacrifice, then we fail. The purpose of following Jesus is to join him in loving and glorifying the Father for all eternity. Coming to Mass to be entertained or merely to get something, even something good, is to miss out on something greater.

We are to go and make disciples for nothing less than to give glory to God! When we glorify God, we begin to share in his divine glory!

In Pace Christi,

*F. Troy*

***Monday, October 28, 6:30pm—7:30pm***

**...tells the story of the search for St. Peter's tomb.**

A Texas oilman. A brilliant archaeologist. An unknown world beneath St. Peter's. In 1939, workers digging beneath the great basilica in Rome unearthed an early Christian grave. The surprising discovery launched a quest for the long-lost burial place of the Apostle Peter. Funded anonymously by a wealthy American, a small army of archaeologists embarked on the dig of a lifetime.

The incredible, sometimes shocking, story of the 75-year search and its key players has never been fully told until, *The Fisherman's Tomb*, the story of the triumph of faith and genius against all odds.

**ABOUT THE AUTHOR:** John O'Neill, senior partner in an international law firm in Houston, and a #1 New York Times bestselling author. He is a 1967 graduate of the Naval Academy, graduated first in his class at UT Law School, is a Vietnam veteran, and served as law clerk to Supreme Court Chief Justice William Rehnquist. John has devoted much of his life researching and visiting early Christian sites.

***A Dessert Reception will be held immediately following the presentation.***

SOCIAL SERVICE MINISTRY

**FALL MISSION TRIP TO EAGLE PASS, TX**

Please pray for our Mission Team members who will be traveling to Eagle Pass, Texas from **October 29 through November 3.**

Pray for a safe trip, for the members of the team, and for those they will be visiting and helping.

As representatives of our parish, they all witness to God's love through their service to the disabled, the sick and the

elderly poor, but also through their presence. They go to them as sisters and brothers, as equals, in solidarity.

They go to be part of their world, to learn from them, and to be ministered to by them and by each other.

**“There is no separation between faith and life... The Church is missionary by its very essence. The more that we participate in mission, the more we penetrate into the very essence of the Church. Jesus made a preferential option for the poor. We are called to do likewise.” Father Gerry Kelly, M.M.**

**THIS WEEKEND:  
OCTOBER 26 & 27**

We offer fresh produce, non-perishable food, and many other items such as toiletries, paper products, cleaning supplies, and more at our pantry. Families and individuals select what they will eat and use, rather than receive pre-packaged grocery bags. We are always in need of nonperishable food items, toiletries, paper products, baby items, & cleaning supplies.

Through our Amazon **Wish List** (<https://amzn.to/2Nfs6aQ>) you can purchase some of our most needed items & have them delivered to the Pantry! Drop off your donations to Food Drive volunteers outside the church before and after each mass this Saturday & Sunday.

**Please check the expiration or “best by” dates — we cannot distribute expired or opened food.**

**RESPECT LIFE MONTH IS ENDING, BUT OUR RESPECT LIFE ACTIVITIES CONTINUE!**

SJV's Respect Life Ministry members invite you to join them in praying the Rosary with them

**every Thursday** during the **FORTY DAYS FOR LIFE** campaign.

This is a legal prayer event outside the largest abortion facility in the Western Hemisphere (4600 Gulf Freeway). With Christ as our Hope during these 40 days and in every season of life, we pray that women will **choose life** for their unborn babies, and that they find the support they'll need once the baby arrives.

The campaign continues through **November 3.** We know that through the power of prayer and the grace of God, hearts are touched and lives are saved. To carpool from SJV, contact Diane at [dianecdavis@comcast.net](mailto:dianecdavis@comcast.net)

### THERE'S A PLACE FOR YOUR SPECIAL CHILD!

Did you know that we have a special needs ministry for children here at St. John Vianney? We have two special needs CCE classes each week. The **Sunday CCE class at 9:30am** was created especially for elementary-age children who have intellectual disabilities such as Autism Spectrum Disorders and Down's Syndrome, as well as Attention Deficit Disorders. **On Monday at 6pm**, there is a CCE class for older children with cognitive disabilities. If you have a child that is struggling in a "typical" CCE class, or you have been looking for a class for your child with autism, these classes may be an option. We also help with sacramental preparation for First Reconciliation and First Holy Communion, using adaptive curriculum and accommodations.
